

Brunhilda's Backwards Day

5 Silly Backwards Writing Prompts

1. Write a story about your day backwards. Start with night and go to morning. Think of all the silly things that would happen if you lived your day backwards.
2. Imagine that the cat gave you a backwards potion. Write a story about all the hilarious things happened to you.
3. Brunhilda can't stop making backwards spells. Write a story about all the silly backwards spells she makes on her journey around the town?
4. Write a fairy tale backwards. Add in funny details. Start with the happy ending and end with the beginning.
5. Write a story about what would happen if Brunhilda and the cat switched places. For example, maybe the cat is a wizard, and Brunhilda is his assistant. What potion would Brunhilda make for the cat and what silly things would he do on his journey around the town?
